

**About MEEP:**

Religion plays a crucial role in shaping human life. Therefore, it is essential to connect students with their religious heritage alongside their worldly education. In line with the directives issued by the Shiromani Gurdwara Parbandhak Committee, Khalsa College Garhdiwala has established a committee named “Meep” to uphold this objective.

The philosophy and teachings of Guru Sahib Ji hold even greater significance. The invaluable principles imparted through Guru Sahib Ji’s sacred hymns—such as universal brotherhood, humanity, the purpose of human life through honest labour, and environmental consciousness—must be actively practiced in today’s world.

Sri Guru Nanak Dev Ji conveyed a profound message, transcending caste, creed, and religion, by proclaiming: “Sabhai Sanjhiwal Sadaeen, Toon Kise Na Diseh Bahara Jio.” Through this, he emphasized the worship of one Supreme Being and the unity of humankind. Additionally, Imparting the principles of Gurmat to young students is of utmost importance. It is the responsibility of the elder generation to instil faith, patience, selfless service, devotion, and righteous living in accordance with Sikh principles. By integrating Gurmat knowledge with academic education, students can be empowered to inherit and cherish the rich legacy of Sikhism.

To acquaint students with their religious and cultural heritage, the college organizes various programs designed to nurture their understanding and commitment to these values.
